Textbooks in Audio

The Maryland Accessible Textbook Program (M.A.T.) program provides access to many college-level textbooks in MP3 or DAISY format. They can be played on Digital Talking Book Machines or MP3 enabled devices.

Textbooks in Digital Print

The M.A.T. program provides access to many college-level textbooks in MS Word or PDF digital print. They can be read on devices with screen reading, screen enlargement technology.

Technical Assistance

The M.A.T. staff can provide technical assistance to help you access the files we provide. We cannot provide most of the devices that exist, but we can certainly make you aware of them to help you decide which, if any, will meet your unique disability and other requirements.

Apply Early

Apply as early as possible before each semester. You or your DSS office must provide M.A.T. the titles of the textbooks that are required. You will also be required to purchase any book you wish to have converted to an accessible format.

About Us

The Maryland Accessible Textbook Program (M.A.T.) was created to offer additional choices to all Maryland college students who are blind or visually impaired or who, as authorized by the Maryland General Assembly, have other disabilities that make it difficult to read print.

Who Qualifies?

Students enrolled in 2 and 4-year Maryland colleges who:

- Are blind or have visual impairments that prevents them from reading standard print.
- Are unable to read standard print due to a severe organic reading disabilities.
- Are unable to read or use standard print material as a result of physical or organic impairments.

FREQUENTLY ASKED QUESTIONS

HOW DOES THIS PROGRAM WORK?

Students enrolled in 2 and 4-year Maryland colleges who have trouble accessing standard print may request our services through their D.S.S. offices. Once services are established, students will need to purchase physical copies of their textbooks. The M.A.T. team will either procure or create accessible digital versions that can be utilized with smart devices, digital talking book machines, or computers.

HOW DO I RECEIVE TEXTBOOKS FROM THE LIBRARY?

The M.A.T. program will send you materials, primarily in an electronic format. Items may be emailed, via download link, or external flash drive. For materials that need to be physically given to students, pick up arrangements are made upon request.

WHAT DOES IT COST?

There is no cost for our textbook program. However, students are expected to purchase physical copies of books they wish to have converted, just as they would purchase other college materials.

WHO QUALIFIES FOR THE MARYLAND TEXTBOOK PROGRAM?

M.A.T. provides services to individuals who fall into any of the following categories:

- Blind persons whose visual acuity, as determined by a competent authority, is 20/200 or less in the better eye with correcting lenses or whose widest diameter of visual field subtends an angular distance no greater than 20 degrees.
- Any persons whose visual disability, with correction and regardless of optical measurement, is certified by a competent authority as preventing the reading of standard printed material.
- Any persons certified by a competent authority as unable to read or use standard printed material as a result of physical limitation.
- Any person certified by a competent authority as having a perceptual or reading disability of sufficient severity to prevent the reading of printed material in a normal manner.

WHAT DOCUMENTATION IS NEEDED?

The application must be signed by a “competent authority,” which is defined to include: Doctors of medicine, Doctors of osteopathy, Ophthalmologists, Optometrists, Registered nurses, Therapists, Professional staff of hospitals, institutions, and public or private welfare agencies, such as educators, social workers, caseworkers, counselors, rehabilitation teachers, certified reading specialists, school psychologists, superintendents, and librarians.

DO YOU OFFER ACCESS TO BOOKSHARE?

Yes! The library can provide all library patrons access to Bookshare at no cost to them. Bookshare® is an ebook library that makes reading easier. Members may access a huge collection of ebooks to read in any of several formats with the most customizable ebooks for people with reading barriers.
