By law, preference in lending of books and equipment is given to veterans. Please check here if you have been honorably discharged from the armed forces of the United States.

Indicate the primary disability preventing you from reading standard printed material. Check ONLY one box. Eligibility must be substantiated. See eligibility criteria definitions.

Blindness Visual disability Physical disability

Reading disability Deaf-blindness

ELIGIBILITY CRITERIA FOR LOAN OF LIBRARY MATERIALS

The following persons are eligible for loan service:

1. Those people whose visual acuity, as determined by a competent authority, is 20/200 or less in the better eye with correcting lenses or whose widest diameter of visual field subtends an angular distance no greater than 20 degrees.
2. Those with physical disabilities are eligible as follows:
 - (a) Persons whose visual impairment, with correction and regardless of optical measurement, is certified by a competent authority as preventing the reading of standard printed material.
 - (b) Persons certified by a competent authority as unable to read or unable to use standard printed material as a result of physical limitations.
 - (c) Persons certified by a competent authority as having a reading disability resulting from organic dysfunction and of sufficient severity to prevent their reading printed material in a conventional manner.

CERTIFYING AUTHORITY:

- Eligibility must be certified by one of the following: doctor of medicine, doctor of osteopathy, ophthalmologist, optometrist, psychologist, registered nurse, therapist, and professional staff of hospitals, institutions, and public or welfare agencies (such as an educator, a social worker, case worker, counselor, rehabilitation teacher, certified reading specialist, school psychologist, superintendent, or librarian).

TO BE COMPLETED BY CERTIFYING AUTHORITY (AS DEFINED ABOVE)

I certify that the named applicant requesting library service is unable to read or use regular printed material for the reason indicated on this form.

MATERIALS AND EQUIPMENT

Materials: Please select the format of your reading materials. Check all that you would like.

Audio books and/or magazines (Digital talking book player is supplied by the library)

Hard copy braille books and/or magazines

Electronic braille books and/or magazines (Braille eReader is supplied by the library)

Large print books

BARD (Braille and Audio Reading Download)

Email address (required for BARD): _____

If you checked only BARD, do you want a digital talking book player from the library?

Yes, send me a digital talking book player.

No, I do not need a digital talking book player. I will use my own device(s).

Talking Book Topics is a bimonthly publication that lists newly available audio books. In which format would you like to receive Talking Book Topics?

Audio

Large print

Accessories:

USB flash drive adapter (lets you use a personal flash drive with the player)

Digital talking book cartridge cable (used to connect a digital talking book cartridge to a USB port on a computer)

Headphones

Remote control

High volume player and headphones (issued solely for use by readers with profound hearing loss; ask for a separate application)
