ELIGIBILITY CRITERIA FOR LOAN OF LIBRARY MATERIALS

The following persons are eligible for loan service:

1. Those people whose visual acuity, as determined by a competent authority, is 20/200 or less in the better eye with correcting lenses or whose widest diameter of visual field subtends an angular distance no greater than 20 degrees.

2. Those with physical disabilities are eligible as follows:

   (a) Persons whose visual impairment, with correction and regardless of optical measurement, is certified by a competent authority as preventing the reading of standard printed material.

   (b) Persons certified by a competent authority as unable to read or unable to use standard printed material as a result of physical limitations.

   (c) Persons certified by a competent authority as having a reading disability resulting from organic dysfunction and of sufficient severity to prevent their reading printed material in a conventional manner.

CERTIFYING AUTHORITY:

- Eligibility must be certified by one of the following: doctor of medicine, doctor of osteopathy, ophthalmologist, optometrist, psychologist, registered nurse, therapist, and professional staff of hospitals, institutions, and public or welfare agencies (such as an educator, a social worker, case worker, counselor, rehabilitation teacher, certified reading specialist, school psychologist, superintendent, or librarian).

TO BE COMPLETED BY CERTIFYING AUTHORITY (AS DEFINED ABOVE)

I certify that the named applicant requesting library service is unable to read or use regular printed material for the reason indicated on this form.
